WELCOME SPRINGTIME!!!

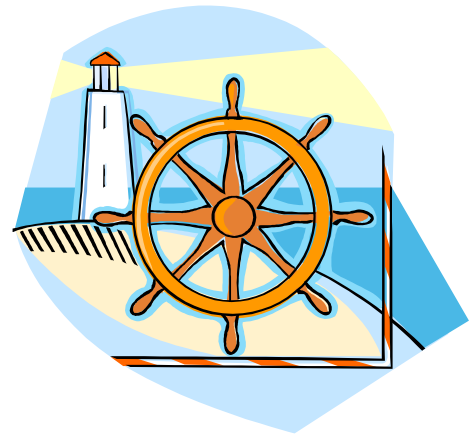

Osprey are building their nests, ducks are looking for flower pots to lay their eggs and plants are popping up, all harbingers of long awaited spring. We look forward to seeing all of you once more on and about the docks.

Since the close of last season, we have re-stoned the gravel parking lot and have repaved the driveway between the main and office buildings. We are close to completing work on our new website and hope to have it up and running by May 1.

A new feature on the website will be a SLIPHOLDER'S BULLETIN BOARD, where we will be able to supply spontaneous information about the marina and our happy community. You may use that link to sell your un-needed gear, arrange small get-togethers and the like. Another link will provide marina forms and documents, list the rules and regulations and the hurricane plan. You will also be able to print out a float plan so that we will know your whereabouts in

case you are needed.

Please stop by the fuel dock to say "Hello", meet the new dockhands and check out our new line of ALM apparel.

ALM's 21st Annual Rendezvous Party!!

We invite all of our slipholders & tenants to our Annual Rendezvous Party. The party will be held on June 11th, 2011 from 5:30pm-8:00pm underneath our pavilion right beside the pool. Adam's Ribs will be catering the event again this year so just bring yourself!

No need to RSVP now. We will be sending out invites to our slipholders & tenants about mid-May.

We hope to see you there!
